MEMORANDUM FOR: All OCI Personnel

As Director of this office, I have received a note from the President commanding us for our performance in the recent Indo-Pakistan war. As far as I know, this is only the second such message received in the Agency in this Administration. It is well-deserved praise for the Task Force, but more than that it is recognition of the work of the office as a whole. We have a right to be proud of our professionalism and objectivity. Let us maintain both. A copy of the President's note is attached.
